RE: EX PARTE NOTICE - MB Docket No. 03-15 In the Matter of Second Periodic  
Review of the Commission's Rules and Policies Affecting the Conversion to  
Digital Television

Dear Ms. Dortch:

On July 26, 2004, on behalf of Capitol Broadcasting Company, Inc., John Greene, Vice President of Special Projects, and I spoke via telephone with Eloise Gore, Assistant Chief – Policy Division, Media Bureau, regarding two matters in the above referenced docket, including confirming that a station's current DTV replication and maximization areas follow that station to its final DTV assignment (*presuming no interference issues*), whether done through a negotiated channel swap or through a channel election process. The discussion also focused on when a station should be required to maximize its DTV coverage.

If there are questions relating to this filing, please contact the undersigned.

Best regards,

/s/ Dianne Smith
